

Independent Kostym

More than 100 000 costumes.

The Largest Collection of Costumes and Accessories for Professionals in Scandinavia

Dressing the Scandinavian Film and Theatre Industry since the 1930's

At Independent Kostym we offer both rental and manufacturing of costumes for film production, television, theatre and corporate events. With over 1,600 square meters in Frihamnen, Stockholm, we carry more than 100,000 costumes from all historical eras. The costumes at Independent Kostym have

been rented out for film, television, theatre, advertising and corporate events since the 1930's.

Our experienced and knowledgeable staff of costume designers will be more than happy to support you in realizing your ideas and visions. We can propose a selection of specific costumes for your production or even be hired as assistants on set.

In the process of making costumes for upcoming movie Krakel Spektakel, produced by Filmlance International.

Manufacturing All Types of Costumes

We manufacture for all types of productions. Most garments can be produced regardless of era; from sketch to ready to wear costumes. There is also a space available for rent in our fully equipped sewing atelier with laundry room for distressing and coloring. In our extensive reference library you will find sewing patterns, books and magazines.

The Project Rooms and Resources for Your Specific Project

Costume designers and stylists can, for both shorter and longer periods, rent project rooms for fittings, dressing and make-up. We can also supply your production with steamers, racks, mirrors and hangers.

A Complete Photo Studio

Our photo studio, located in direct connection with our costume business, is ideal for portrait, product photo shoots and casting.
